

RSC Player Release & Refund Policy

Release

- 1) If the Rebel Soccer Club is unable to provide a team for the player the RSC will notify the family and place the player on a waiting list or release player as decided by the family.
- 2) If a player registers, tries out, and is placed on a roster – but later desires to leave the Rebels – two issues will be addressed per this policy:
 - a) Player release from the Rebels per MYSA Rules
 - b) Refund (as directed in this document)
- 3) Release procedure
 - i) Players wishing to be released must notify the RSC Boys or Girls Directors in writing.
 - ii) Postmarks will be used to determine the date of the request.
 - iii) E-mail notification is also acceptable.
 - iv) Phone calls are **not acceptable**.
 - v) Player release requests will be honored if any of the following 3 rules are met:
 - (1) Less than two weeks have passed between the dates that tryout results were posted and the date of the request.
 - (2) The player is asking for release in order to play at a higher competitive level at another club (e.g. C1 at another club versus C2 for RSC).
 - (3) The player’s family is physically moving residences to a location that makes playing for the Rebels Soccer Club impossible due to distance. (e.g. from Champlin to Lakeville)
 - vi) Player release requests **may** be honored if the player’s release would still leave a viable Rebels Soccer Club team. A “viable” team is one which has at least:
 - (a) 14 players, for U13 and older
 - (b) 11 players, for U11 &U12
 - (c) 9 players, for U10 and younger
 - If the player’s release would leave fewer than the above number of players on the Rebels Soccer Club roster, then this condition is not met. Multiple requests from the same team will be processed in order of the date of the requests. If multiple requests from the same team are received on the same date, then they all must satisfy this requirement as a group.

Refund

If a player is released, they may be entitled to a full or partial refund of their registration fee. No refund will be given if the release request is denied. (***Tryout Fees are non-refundable***)
