

# Lil' Rebels

## ***SOCCER ACADEMY 2010'***

### PURPOSE

The Little Rebels program is offering a Jan-March program. The purpose of the Little Rebels Soccer Academy is to introduce players (and parents) to the game of soccer. This is a great program to make the jump from Rec Leagues to more competitive traveling soccer.

### FOCUS OF PROGRAM

The program will be conducted by professional trainers and coaches associated with the RSC. Focus will be on playing games that develop various skills and create a fun environment to learn soccer.
